

## Sub: SCM & Procurement Benchmarking Assessment - Reg.

*Greetings from Fyzics Business Consultants Pvt. Ltd. – an ACP of APICS, USA and ASC of CIPS, UK, offering supply chain & procurement consulting and certification services to corporates across the globe.*

Currently, we are conducting free, Benchmarking Assessments, SCMAT and PROMAT for organizations in supply chain and procurement domains. In case, if you are interested to participate, we can organize this for your organization at your convenient time. The results of these assessments will help you to benchmark your teams' expertise level vis-a-vis industry standards.

*As a token of appreciation for participating in this benchmarking exercise, we will offer a one-hour EDP training to the participants on any one of the following 10 Topics. Supply Chain Risk, ISO:31000; Supply Chain Processes; ISO:20400, Sustainability in Procurement; Industry 4.0 for Supply Chain; Warehouse SOPs; Enterprise Inventory Policy (EIP); Procurement Manual; Supply Chain Process Mapping using MS Visio; Supplier Development and Specification Development Process.*

There is no cost associated with this benchmarking assessment and it will be of immense benefit to your organization. For next steps, please contact Mrs. Malathi D, Certifications Manager at 900-304-9000 or email at [Certifications@Fyzics.net](mailto:Certifications@Fyzics.net). Thanks.
