CIVIL SERVICES MAINS - GEOGRAPHY PAPER-I 2022

CIVIL SERVICES (MAIN) EXAM-2022 GEOGRAPHY (Paper I)

Time Allowed: Three Hours

Maximum Marks: 250

QUESTION PAPER SPECIFIC INSTRUCTIONS

Please read each of the following instructions carefully before attempting questions. There are EIGHT questions divided in TWO SECTIONS

Candidate has to attempt FIVE questions in all.

Question Nos. 1 and 5 are compulsory and out of the remaining, THREE are to be attempted choosing at least ONE question from each Section.

The number of marks carried by a question/part is indicated against it.

Answers must be written in the medium authorized in the Admission Certificate which must be stated clearly on the cover of this Question-cum-Answer (QCA) Booklet in the space provided. No marks will be given for answers written in a medium other than the authorized one.

Word limit in questions, wherever specified, should be adhered to.

Illustrate your answers with suitable sketches/maps and diagrams, wherever considered necessary. These shall be drawn in the space provided for answering the question itself. Attempts of questions shall be counted in sequential order. Unless struck off, attempt of a question shall be counted even if attempted partly.

Any page or portion of the page left blank in the Question-cum-Answer Booklet must be clearly struck off.

SECTION 'A'

Answer the following in about 150 words each:
10x5=50

1. (a) Define 'speleothem'. Discuss the various forms and features of speleothems. [10]

1. (b) What are the high altitude environmental hazards? Explain with suitable examples. [10]

1. (c) What is pollution dome? Discuss its formation and impacts. [10]

1. (d) When corals are affected by stress it causes them to turn completely white. Explain the reasons of such an occurrence. [10]

1. (e) Well developed soils typically exhibit distinct layers in their soil profile. Elaborate. [10]
